02 04 2014 EPA 76161c Pechiney Approval Amendment .pdf

Dear Mr. William Adams:

Thank you for the opportunity to being of assistance during Pechiney's cleanup of polychlorinated biphenyls (PCBs) at the former Pechiney Cast Plate facility in Vernon, California.

AMEC has proposed some changes to USEPA Region 9's approvals issued to Pechiney on July 2, 2010 and July 1, 2011 for cleanup of PCBs at the Pechiney site. Our letter, attached, is modifying those approvals consistent with 40 CFR 761.61(c).

Please call me or have AMEC call me if you or AMEC have any questions concerning the attached PCB cleanup approval amendment.

Thank you for your courtesies.

Sincerely,

Carmen D. Santos
